Acknowledgement

This Migraine educational program was developed by the NewYork-Presbyterian/Queens Department of Neurology and its Headache Clinic on behalf of the Migraine Project. Resources and CME events were generously funded by the Pfizer Independent Grants for Learning and Change (IGLC). Identification of CME needs, determination of educational objectives, selection and presentation of content and speakers were done independent of IGLC.

MIGRAINE

WEDNESDAY EVENING
MAY 25, 2016
6-9 PM

Presented by the Department of Neurology-Headache Clinic on behalf of the Migraine Project

Location

NewYork-Presbyterian/Queens
Theresa and Eugene M. Lang Center for Research and Education
56-45 Main Street, Flushing, NY

Statement of Need

According to American Migraine Study II², one in four U.S. households includes someone who is suffering from migraines. The Migraine Project provides physicians with current information on migraine prevention, and on the diagnosis and treatment of migraine patients, including those with menstrual migraines. The Migraine Project invites you to attend this on-site educational lecture program. Experts will instruct the participants on methods to make better, more informed decisions regarding the diagnosis and treatment of migraines and menstrual migraines.

²Lipton RB, Stewart WF, Diamond S, et al. Prevalence and burden of migraine in the United States: data from the American Migraine Study II. *Headache*. 2001;41(7):646-657.

Target Audience

Primary Care Physicians, Family Practice Physicians, Obstetricians, Gynecologists, Residents, Interns, Medical Students, Nurse Practitioners, Nurses.

Accreditation

NewYork-Presbyterian/Queens is accredited by the Medical Society of the State of New York (MSSNY) to provide continuing medical education for physicians.

NewYork-Presbyterian/Queens designates this live activity for a maximum of **2.0 AMA PRA Category 1 Credit(s)**[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Statement

NewYork-Presbyterian/Queens relies upon planners and faculty participants in its CME activities to provide educational information that is objective and free of bias. In this spirit, and in accordance with the guidelines of MSSNY and ACCME, all speakers and planners for CME activities must disclose any relevant financial relationships with commercial interests whose products, devices or services may be discussed in the content of a CME activity that might be perceived as a real or apparent conflict of interest. Any discussion of investigational or unlabeled uses of a product will be identified.

Special Needs

NewYork-Presbyterian/Queens is accessible for individuals with disabilities or special needs. Participants with special needs are requested to contact the Office of CME at 718-670-1419.
