

Neuroscience Symposium: Strides in Diagnosis and Management

Tuesday, June 7, 2016

7:30 am-2:00 pm

Register: 718-670-1419

www.nypqcme.org

Program Chair

Gary L. Bernardini, MD, PhD

Chairman, Department of Neurology NewYork-Presbyterian/Queens Attending Neurologist

NewYork-Presbyterian/ Weill Cornell Medical Center

Location

NewYork-Presbyterian/Queens

Theresa and Eugene M. Lang Center for Research and Education 56-45 Main Street, Flushing, NY

Presented by the NYP/Queens Department of Neurology

Program Chair

Gary L. Bernardini, MD, PhD

Chairman, Department of Neurology, NYP/Queens

Attending Neurologist, NewYork-Presbyterian/Weill Cornell Medical Center

Statement of Need

Physicians and the interdisciplinary health care team need to be updated on the latest diagnostic and medical and surgical management of neurological disorders in order to offer patients the most effective treatment options. Topics to be discussed include: CIDP and related polyneuropathies; headache diagnosis and management; surgical management of low back pair; diagnosis and treatment of epilepsy and seizures; Transcranial doppler in evaluation of stroke; Neuro-opthalmology for primary care; management of acute ischemic stroke; PA management of stroke in the ED and neuroendovascular therapies for acute ischemic stroke. In-depth knowledge of these neurological conditions, and of state-of-the-science options for management will aid physicians in planning the best strategies for successful patient outcomes.

Target Audience

Primary Care Physicians, Family Practice Physicians, Neurologists, ER Physicians, Physician Assistants, Residents, Medical Students, Nurse Practitioners, Registered Nurses, and others caring for patients with neurological conditions.

A counditation

NewYork-Presbyterian/Queens is accredited by the Medical Society of the State of New York (MSSNY) to provide continuing medical education for physicians.

NewYork-Presbyterian/Queens designates this live activity for a maximum of ?????? AMA PRA Category 1 Credit(s)**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

NewYork-Presbyterian/Queens is an approved provider of continuing nursing education by the PA State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

It has been assigned approval code ??????? for ???? contact hours.

Educational Objectives

It is intended that this NYP/Q CME activity will lead to improved patient care.

At the conclusion of this symposium, the participant will be able to:

- Clinically identify patients with CIDP and related autoimmune polyneuropathies
- · Identify and differentiate headache types and migraine
- $\bullet\;$ Specify indications for surgical management of low back pain
- Differentiate seizures; epilepsy; non-epileptic seizure; status epilepticus, and identify pre-disposing and etiological factors
- Specify current evaluation and treatment options for seizures
- Describe the risk factors of stroke, and current procedures for diagnosis
- Identify acute and preventive therapies for stroke
- Assess signs and symptoms of acute stroke in the emergency department
- Evaluate options for acute treatment of stroke
- Recognize the indications for neuroendovascular therapies for acute ischemic stroke

Special Needs

NYP/Q is accessible for individuals with disabilities or special needs. Participants with special needs are requested to contact the Office of CME at 718-670-1419.

Registration Fees

\$50 Physicians
\$25 General Registrants
\$20/person Group of 5 or more
No Fee Physicians-in-training, NYP/Q Physicians & Staff
(copy of NYP/Q ID required with registration)

Fee includes continental breakfast, lunch and course materials

Cancellation

Refunds will only be made upon receipt of written notification a minimum of five work days prior to the session.

To Register

Ms. Pamela Williams, Director, Continuing Medical Education tel: 718-670-1419 • fax: 718-661-7925 • email: pgw9001@nyp.org

Neuroscience Symposium: Strides in Diagnosis and Management

AGENDA Tuesday, June 7, 2016

7:30-8:15am Registration and Continental Breakfast

8:15-8:30am • Welcoming Remarks

Gary L. Bernardini, MD, PhD

8:30-9:00am Comfortably Numb: Diagnosis and Treatment of CIDP and Related

Polyneuropathies
Paul Magda, DO

Attending Neurologist, NYP/Queens Assistant Clinical Professor of Neurology Weill Cornell Medical College

9:00-9:30am • Wrecking Ball: Staying Inspired with
Treatment for Headache Patients
Suja Johnkutty, MD, ABPN
Director of the Headache Clinic

Director of the Headache Clinic
Attending Neurologist, NYP/Queens

9:30-10:00am Back to Zero: Surgical Management of Low Back Pain Syndrome
Jaime H. Nieto, MD

Chief of Neurosurgery
Department of Surgery, NYP/Queens
Assistant Clinical Professor of Neurological Surgery
Weill Cornell Medical College

10:00-10:30am Break

10:30-11:00am Shake Baby Shake: Epilepsy and Seizures: How to Recognize and How to Treat

Hind Kettani, MDDirector of Epilepsy;

Assistant Clinical Professor of Neurology
Weill Cornell Medical College

11:00-11:30am Speed of Sound: Utilization of Transcranial Doppler (TCD) in Evaluation of Stroke Feliks Koyfman, MD

Attending, Department of Neurology Assistant Professor of Clinical Neurology Weill Cornell Medical College

11:30-12:00pm Dopen Up Your Eyes: Essentials of
Neuro-ophthalmology for Primary Care
Michael P. Lerario, MD

Attending, Department of Neurology Assistant Professor of Clinical Neurology Weill Cornell Medical College

12:00-12:15pm Brea

12:15-12:45pm Strokin: Diagnosis and Management of Acute Ischemic Stroke Gary L. Bernardini, MD, PhD

12:45-1:15pm • Walk This Way: Physician Assistant Perspective of Management of Stroke Patients in the ED

Susan A. Denn, PA

Chief Physician Assistant of Medicine, NYP/Queens

1:15-1:45pm No Turning Back: Update on Neuroendovascular Therapies for Acute Ischemic Stroke Ning Lin, MD

> Attending Neurosurgeon, Department of Surgery, NYP/Queens Assistant Professor of Neurological Surgery Weill Cornell Medical College

:45-2:00pm Closing Remarks/Lunch
